

SPOT-ON COLOURS

For a bodyshop there is nothing more important than getting the colour right ■ we know. After all, a vehicle's shade is the first thing you notice - it literally colours your perception. That's why we offer all kinds of help to ensure that your work is spot-on accurate.

DIGITAL COLOUR
MANAGEMENT

COLOUR TOOLS

With our measuring devices and the cloud-based ChromaWeb color software, we offer our customers digital solutions for practical colour management - for even more productivity in the bodyshop.
