Z11	Kuro Black / Black Met
AV3	Tuscan Red / Red Met
BW3	Tornado / Grayish Blue Met

Nissan Pathfinder Bumper Colours from 1996-2001

The below two formulas, are the only two colours Nissan have used on Nissan Pathfinders, (lower half) since 1996. The code from the car will not tell you what lower colour to use. It will only be one of the two colours below. (Note: the Greyish Beige is actually champagne in colour and the Grey Met is obviously grey in colour)

KR2
Grey Met

Or

ES6
Greyish Beige Met
