

CROMAX SERVICES OUTSIDE THE CAN

Throughout our history we have amassed a wealth of knowledge, experience and skills in every aspect of running a bodyshop. As part of our brand's philosophy, we want our bodyshop partners to benefit from our knowledge.

DRIVUS BUSINESS SERVICES FOR BODYSHOPS

Drivus gives bodyshops the tools they need to build better businesses. It's a suite of innovative services, programmes and tailored expert consultancy focused on the particular challenges faced by refinishers. The result? Improved business productivity. Higher performance. And better profitability.

COLOUR SERVICES

With dedicated colour specialists covering Australia and New Zealand, we can gladly help you with any questions you may have about a colour. They are continuously trained to be able to give you the best possible support, and for our dedicated Cromax bodyshop, they will keep you up-to-date with our latest colour news.

SHARING EXPERT KNOW-HOW

In addition to developing and supplying the best refinishing products in the world, we also provide expert technical advice for bodyshop owners who aim high. We're here to help make your business thrive so turn to us for technical support. Our experts are ready to share their knowledge with you so that you can achieve the best possible results, every time.
