There are two ways to recover “**Saved Orders**” for your next purchase:

“**Activate**” and “**Append All**”.

- With the button “**Activate**” you can use the content of the respective cart for your next order. However, this will overwrite any other previous items in your cart!
- If you click on “**Append all**”, the content of that saved cart will be added to the current cart. After that, you can still manually add or delete items, or upload a file with additional items to make your order complete.
