For a bodyshop there is nothing more important than getting the colour right – we know. After all, a vehicle’s shade is the first thing you notice - it literally colours your perception. That’s why we offer all kinds of help to ensure that your work is spot-on accurate.

**SPOT-ON COLOURS**

**COLOUR TOOLS**
Fan Decks, tinting posters, formula retrieval systems and advanced digital colour measurement tools.

**CHROMALUSION**
Changes colour depending on the viewing angle.

**VALUESHADE**
The concept delivers the optimal undercoat for every topcoat colour.
