

# AU177 - AU179 TEXTURING BINDER

## STRUCTURING BINDER

AU177 (fine) and AU179 (coarse) from Cromax are texturing binders that can be used in 2K topcoats and 2K clears, including Imron Fleet Line. AU177 and AU179 are based on a combination of modified acrylic resins.

## MAIN BENEFITS

- Translucent binders
- Suitable for both heavily structured and smooth finishes
