

HIGHER PRODUCTIVITY. HIGHER JOB SATISFACTION.

**PUT YOUR
BODYSHOP IN A
DIFFERENT CLASS**

WHY TRAINING AT THE AXALTA REFINISH ACADEMY IS A GOOD MOVE FOR EVERYONE.

Whatever your role in the bodyshop, our training centres are the ideal places to improve your skills at every step of your career. They are equipped with state-of-the-art facilities and stocked with our latest paint innovations in order to make learning fast, effective and interesting. They will help you perform to your full potential and ensure you contribute to maximising productivity at your workplace.

✓ Productivity on the shopfloor: wide range of training topics

Every training centre offers a broad programme of courses with a focus on improving your paintshop efficiency and quality. The content includes in-depth theoretical knowledge as well as practical, hands-on know-how on everything from new product systems and optimised process techniques to optimal substrate preparation and current health and environmental requirements.

✓ **Productivity on the balance sheet: extensive commercial support**

We also put a strong emphasis on providing practical business support. This takes the form of seminars covering topics as diverse as advertising, marketing, business management, workshop planning and much more. By offering courses that are relevant to every aspect of a bodyshop's operations, our training centres can play an active part in developing any bodyshop to its full potential.

✓ **Expertise and consistency guaranteed**

Our expert trainers have extensive knowledge of bodyshop working methods and equipment. By working together with their counterparts across our network of training centres and sharing best practices, they ensure that each location offers the same high standard of training.
